

Appendix:

Statistisk-oversigten viser dato, kamp, evt. spilleform/handicap, væddemål, odds, samt +, hvis der er gevinst, -, hvis indskuddet er tabt (samt i parentes en evt. staking af indskuddet, som hvis ingen parentes ellers er 1 unit). "ROI" er en forkortelse af "Return Over Investment", hvilket er identisk med tilbagebetalings-procent.
